

International Master Student Admission 2024

Department of Materials Engineering, Ming Chi University of Technology, Taiwan

Research Area:

- Thin Film Technology & PVD Coatings
- New Generation Solar Cell
- Optoelectronics
- Bio-interface & Biosensors
- Advanced Energy Materials
- Advanced Semiconductor Materials
- Materials Simulation
- Solution Plasma & Anti-corrosion

Eligibility:

- Bachelor degree in a relevant branch of Engineering/Applied Science/Technology
- Good English Skills

Scholarship:

- Full Scholarship
 - ✓ Tuition fee waived 100%
 - ✓ Dorm fee waived 100%
- Half Scholarship:
 - ✓ Tuition fee waived 50%
 - ✓ Dorm fee waived 50%
- Stipend ~6000NTD/month

Application:

Application system website:
